Dylan Spencer, Ph.D.

Assistant Professor, Georgia Southern University
mspencer@georgiasouthern.edu | mdylanspencer.com | 0000-0001-9805-0986

EDUCATION

Ph.D. Criminology & Criminal Justice, University of South Carolina 2022

M.A. Criminal Justice, Radford University 2018

B.S. Forest Resources & Environmental Conservation, Virginia Tech 2014
Minor: Forestry

ACADEMIC POSITIONS

Assistant Professor, Georgia Southern University 2024 – Present
Department of Criminal Justice and Criminology

Assistant Professor, South Dakota State University 2022 – 2024
School of Psychology, Sociology and Rural Studies

RESEARCH AFFILIATIONS

Institute for Water and Health, Georgia Southern University 2024 – Present

South Dakota Governor's Center on the Illicit Economy, South Dakota State University 2023 – 2024

Department of Natural Resource Management, South Dakota State University 2023 – 2024

RESEARCH INTERESTS

Crime & Place | Quantitative & Spatial Methods | Conservation Criminology | Crime Science | Policing

PUBLICATIONS

(22 peer-reviewed journal articles | 3 book chapters | 1 technical report | 2 public scholarship article)

Peer-Reviewed Journal Articles *(*Denotes student co-author)*

20. **Spencer, M. D.**, & Schnell, C. (2022). Reinvestigating the relationship between cities and the spatial distribution of robbery: A tale of eight cities. *Journal of Criminal Justice*, *82*, 102003. DOI
21. Schnell, C., **Spencer, M. D.**, Mancik, A., Porter, L., Ready, J., & Alpert, G. (2022). Expanding research on investigations of officer-involved shootings: An experimental evaluation of question timing on police officer's memory recall. *Criminal Justice and Behavior*, *49*, 1031–1049. DOI
22. **Spencer, M. D.**, Green, E. K., & Bolin, R. M. (2021). Exploring the relationship between fishing regulations and angler compliance in Virginia. *American Journal of Criminal Justice*, *46*, 815–836. DOI

Book Chapters

1. **Spencer, M. D.**, Aris, K.*, & Petrossian, G. A. (In press). Mapping blue harm: Spatial vulnerability of deep-sea mining exploration zones. In A. Nurse, T. Wyatt, M. Pons, E. Doornbos, & G. Petrossian (Eds.), *Blue criminology: Examining crime and harm against marine environments*. Bristol University Press.
2. **Spencer, M. D.**, Posick, C., & Colon-Gaud, C. (In press). Improving water quality for safer communities: How criminology and river ecology can collaborate on conservation and justice. In W. Moreto (Ed.), *Environmental Crime and Harm Prevention*. Routledge.
3. Schnell, C., & **Spencer, M. D.** (2025). Micro-places, multi-level frameworks, and modeling the spatial granularity of crime. In R. Wickes & D. Oberwittler (Eds.), *The handbook on cities and crime* (pp. 125–140). Edward Elgar Publishing. DOI

Technical Reports

1. **Spencer, M. D.** (2020). *The problem of wildlife poaching on U.S. federal lands*. A Problem-Solving Guide: Wilderness Problems, Guide No. 1. Center for Problem-Oriented Policing, Arizona State University. Link

Public Scholarship

1. Pires, S., **Spencer, M. D.**, Del Rio, J., & Guerette, R. T. (2026, August 4). Why targeting guerrilla groups and cartels doesn't stop violence in Latin America – but focusing on geography might. *The Conversation*. DOI

2. **Spencer, M. D.**, Petrossian, G. A., & Pires, S. F. (2026, March 4). Far from random, China's global port network is clustering near the world's riskiest trade routes. *The Conversation*. DOI.
Also published in French. DOI

RESEARCH IN PROGRESS

Manuscripts Under Review

1. **Spencer, M. D.**, & Cohen, N. D.* (revised and resubmitted). Wildlife poaching in North America: A systematic review of motivations, opportunity structures, and rationalizations. *Society & Natural Resources*.
Preprint available at SSRN. DOI
2. Pires, S. F., **Spencer, M. D.**, Petrossian, G. A., Christiansen, E.*, & Gondhali, U.* (under review). Mapping IUU fishing risk in West Africa: A crime science approach using AIS disabling data. *Ocean and Coastal Management*.
Preprint available at SSRN. DOI
3. **Spencer, M. D.**, & Mitre-Becerril, D. (under review). Remote work and the reorganization of urban crime opportunity. *Criminology*.
4. **Spencer, M. D.**, von Ferber, J., & Petrossian, G. A. (under review). Hybrid opportunity structures: The geography of online wildlife trade. *Journal of Criminal Justice*.
5. Aris, K.*, **Spencer, M. D.**, & Petrossian, G. A. (under review). Global distribution and spatial concentration of deep-sea ecological vulnerability: implications for seabed governance. *npj Sustainability*.
Preprint available at Research Square. DOI
6. **Spencer, M. D.**, & Kim, Y. A. (under review). Risky access points: Crime concentration across an urban greenway system. *Journal of Research in Crime and Delinquency*.
7. Aris, K.*, **Spencer, M. D.**, & Petrossian, G. A. (under review). Spatial conflict and governance gaps in global deep–sea mining: A vulnerability–based policy audit. *Marine Policy*.

Working Papers

1. **Spencer, M. D.**, & Cohen, N. D.* (in preparation). A problem-oriented approach to crowding at overlooks on U.S. federal lands.
Topic accepted pending full review at Center for Problem-Oriented Policing.
2. **Spencer, M. D.**, & Douglas, S. (in preparation). Why do risky facilities persist? A longitudinal analysis of crime at urban facilities.
Planned submission to Journal of Quantitative Criminology.
3. **Spencer, M. D.**, & Cohen, N. D.* (in preparation). Why conservation laws fail: A systematic review of enforcement challenges.
Planned submission to Conservation Science and Practice.
4. Markel, P., **Spencer, M. D.**, & Arends, R. (in preparation). New roads don't pave themselves: Building an integrated community for climate-behavioral research.
Planned submission to Journal of Criminal Justice.
5. Mitre-Becerril, D., & **Spencer, M. D.** (in preparation). Twice a year, twice the test: Daylight saving time and the reversibility of its public safety effects.
Planned submission to Justice Quarterly.

FUNDED RESEARCH

(Total Awarded: $40,000)

Funded

1. **Co-Principal Investigator**, Affordable Materials Grants, Round 29: Transformation Grants. University System of Georgia Board of Regents. *PI: D. Derlic; Co-PIs: M. D. Spencer, G. Baas, & M. DeLeon*
($20,000; May 2026 – May 2027).
2. **Co-Principal Investigator**, Socio-Environmental Systems of Rural Health. South Dakota State University, Division of Research and Economic Development. *PI: P. Markel; Co-PIs: M. D. Spencer & R. Arends*
($15,000; July 2023 – November 2024).

3. **Principal Investigator**, Public Transportation and Crime. University of South Carolina, Office of the Vice President for Research. *PI: M. D. Spencer; Co-PI: C. Schnell*
($5,000; May 2020 – July 2021).

Under Review

1. **Co-Principal Investigator**, Strengthening forensic evidence interpretation in the presence of covariates. National Institute of Justice. *PI: L. Tang; Co-PIs: M. D. Spencer, A. D. Campiglia, K. Kafadar, M. Slawski, & P. J. Phillips*
($527,513; submitted June 2026).

DISSERTATION

The Spatial Variability of Crime: A Review of Methodological Choice, Proposed Models, and Methods for Illustrating the Phenomenon. Link

Co-Chairs: Dr. Cory Schnell & Dr. Robert Kaminski
Committee: Dr. Ashley Mancik & Dr. Andrew Lemieux

MEDIA COVERAGE

1. Jackson, K. (2026, March 19). Why we feel so safe in nature and how that can put us at risk. *Outside Magazine*. Link. *Includes interview with author.*
2. Mekles, J. (2026, March 7). National park death exposes repeated rule violations as tourists take dangerous risks. *Fox News*. Link. *Includes interview with author.*
3. Roberts, J. (2025, November 17). National parks are overwhelmingly safe spaces, says study. *National Parks Traveler*. Link. *References Cohen & Spencer (2025).*

PRESENTATIONS

(27 Conferences | 13 Invited Talks | 4 Guest Lectures)

Conferences *(*Denotes student co-presenter)*

1. **Spencer, M. D.**, Aris, K.*, & Petrossian, G. A. (2026). Mapping blue harm: Spatial vulnerability of deep-sea mining exploration zones. American Society of Criminology, Chicago, IL.
Organized panel: Global Environmental Crime: Markets, Conflict, and Emerging Frontiers.
2. Pires, S. F., **Spencer, M. D.**, & Christiansen, E.* (2026). Analyzing the spatio-temporal patterns of FOC dark vessels and maritime crime risk in West Africa. American Society of Criminology, Chicago, IL.
Organized panel: Global Environmental Crime: Markets, Conflict, and Emerging Frontiers.
3. **Spencer, M. D.**, & Cohen, N. D. (2026). Crowding at scenic overlooks on U.S. public lands. 34th Problem-Oriented Policing Conference, Austin, TX.
4. Pires, S. F., Christiansen, E.*, & **Spencer, M. D.** (2026). Shadow signals at sea: Spatial patterns of FoC dark vessels and maritime crime risk in West Africa. Southern Criminal Justice Association, Fort Lauderdale, FL.
Invited panel: From Sea to Street to Courtroom: Geospatial Methods in Crime and Justice Research.
5. **Spencer, M. D.**, Cohen, N. D., & Connealy, N. (2026). When wildfires suppress crime: A spatial analysis of post-wildfire trends in Los Angeles. Southern Criminal Justice Association, Fort Lauderdale, FL.
Invited panel: From Sea to Street to Courtroom: Geospatial Methods in Crime and Justice Research.
6. **Spencer, M. D.**, Christiansen, E.*, Pires, S. F., Tsai, C. H.*, Gondhali, U.*, & Petrossian, G. A. (2025). Identifying and explaining the distribution of Chinese-affiliated ports around the world. American Society of Criminology, Washington, DC. *Invited panel: Criminology of the Seas.*
7. Pires, S. F., **Spencer, M. D.**, Petrossian, G. A., Christiansen, E.*, & Gondhali, U.* (2025). Predicting dark vessel fishing off West Africa: A micro-spatial approach. Southern Criminal Justice Association, Charleston, SC.

8. **Spencer, M. D.**, & Schnell, C. (2025). Urban parks, risky facilities, and crime: An open data analysis of built environments. European Society of Criminology, Athens, GR.
9. Davallou, J.*, Lockwood, A., **Spencer, M. D.**, Elligson, R., & Boehme, H. M. (2025). Measuring local law enforcement perceptions of ICE intervention. Georgia Southern Student Scholars Symposium (GS4), Savannah, GA.
10. Cohen, N. D.*, & **Spencer, M. D.** (2025). Recreation and disarray: Analysis of disorder in U.S. national parks. Academy of Criminal Justice Sciences, Denver, CO.
11. **Spencer, M. D.**, DeWitt, S., & Schnell, C. (2024). Analyzing crime patterns surrounding light rail expansion in Charlotte, NC. American Society of Criminology, San Francisco, CA.
12. Pires, S. F., **Spencer, M. D.**, Petrossian, G. A., Christiansen, E.*, & Gondhali, U.* (2024). A comparative modeling study of potential IUU fishing off the coast of West Africa. Invited panel presentation at the American Society of Criminology, San Francisco, CA.
13. Cohen, N. D.*, & **Spencer, M. D.** (2024). Evaluating security features in a U.S. national park: A crime science perspective. The International Symposium on Environmental Criminology and Crime Analysis, Yerevan, Armenia.
14. **Spencer, M. D.**, Wilson, A., & Bolin, R. (2024). Understanding the intersection of context and criminology in teaching and learning. Academy of Criminal Justice Sciences, Chicago, IL.
15. **Spencer, M. D.**, & Schnell, C. (2023). Running for fun, not my life! A spatial analysis of crime at public recreation sites. American Society of Criminology, Philadelphia, PA.
16. Petrossian, G. A., Pires, S. F., **Spencer, M. D.**, & Cohen, N. D.* (2023). An empirical assessment of seaports as facilitators of FOC-flagged transshipment landings. American Society of Criminology, Philadelphia, PA.
17. **Spencer, M. D.** (2022). Best practices for illustrating the spatial variability of crime: Re-imagining the crime map. American Society of Criminology, Atlanta, GA.
18. DeWitt, S., Schnell, C., & **Spencer, M. D.** (2022). A tale of two (way) fixed effects: Applying modern statistical corrections to studying the impact of the Charlotte light rail expansions. Southern Criminal Justice Association, Asheville, NC.
19. **Spencer, M. D.**, Mancik, A., & Lemieux, A. (2022). A systematic review of the methodological choice of research on the spatial variability of crime. Academy of Criminal Justice Sciences, Las Vegas, NV.
20. **Spencer, M. D.**, & Schnell, C. (2021). An exploration of the spatial variability of crime within and between seven U.S. cities. American Society of Criminology, Chicago, IL.
21. **Spencer, M. D.**, Schnell, C., & DeWitt, S. (2021). The disruptive impact of public transportation expansion on crime: A time series analysis of light rail train stations in Charlotte, NC. Discover UofSC, Columbia, SC.
22. **Spencer, M. D.**, Schnell, C., & DeWitt, S. (2020). The disruptive impact of public transportation expansion on crime: A time series analysis. American Society of Criminology, Washington, DC. **Accepted; Conference Cancelled (COVID-19)*
23. Schnell, C., **Spencer, M. D.**, Mancik, A., Porter, L., Ready, J., & Alpert, G. (2020). Advancing research on memory accuracy after officer-involved shootings: An experimental evaluation of the effect of question timing on recall. Academy of Criminal Justice Sciences, San Antonio, TX. **Accepted; Conference Cancelled (COVID-19)*
24. **Spencer, M. D.**, & Schnell, C. (2019). Exploring the hierarchical spatial distribution of crime: The concentration and stability of robberies at street segments within and between Chicago's neighborhood clusters. American Society of Criminology, San Francisco, CA.
25. **Spencer, M. D.** (2019). Problem-oriented wildlife protection: Poaching prevention on U.S. federal lands. Southeast Association of Fish & Wildlife Agencies, Hilton Head, SC.
26. **Spencer, M. D.** (2019). Problem-oriented wildlife protection: Poaching prevention on U.S. federal lands. Discover USC, Columbia, SC.
27. **Spencer, M. D.** (2018). Exploring the relationship between fishing regulations and angler compliance in Virginia. Northeast Association of Fish & Wildlife Agencies, Burlington, VT.

Invited Talks

1. Davallou, J.*, Lockwood, A., & **Spencer, M. D.** (2026). Discretion in immigration enforcement: How non-federal officers navigate judgements surrounding children. Posters at the Capitol, Atlanta, GA. *Student presenter; faculty mentor.*

2. Posick, C., & **Spencer, M. D.** (2025). Plant thieves: Botanic crimes & its consequences. The Botanic Garden at Georgia Southern University, Statesboro, GA.
3. **Spencer, M. D.** (2025). Integrating criminology and conservation science: Applications and future research. Warnell School of Forestry and Natural Resources, University of Georgia, Athens, GA.
4. **Spencer, M. D.** (2023). What's next for crime and place research? Netherlands Institute for the Study of Crime and Law Enforcement, Amsterdam, NL.
5. **Spencer, M. D.** (2023). Crime prevention, natural resources, and the illicit economy. South Dakota Governor's Research Center, Virtual.
6. **Spencer, M. D.** (2023). Bridging the gap between criminology and natural resources. Department of Natural Resource Management, South Dakota State University, Brookings, SD.
7. **Spencer, M. D.** (2022). Machine learning: A tool for systematic reviews. School of Psychology, Sociology and Rural Studies, South Dakota State University, Brookings, SD.
8. **Spencer, M. D.** (2021). Graduate school and research. Entering Research Panel, University of South Carolina, Virtual.
9. **Spencer, M. D.** (2020). Grading recommendations and best practices. Teaching Assistant Orientation, University of South Carolina, Columbia, SC.
10. **Spencer, M. D.** (2020). Social science Q&A. Teaching Assistant Orientation, University of South Carolina, Columbia, SC.
11. **Spencer, M. D.** (2020). Using R and RStudio for statistical analysis. PowerSchool LLC, Content Department, Virtual.
12. **Spencer, M. D.** (2020). Migrating to an online teaching environment. PowerSchool LLC, Content Department, Virtual.
13. **Spencer, M. D.** (2018). Geographic information systems. PowerSchool LLC, Content Department, Roanoke, VA.

Guest Lectures

1. **Spencer, M. D.** (2025). Crime mapping using R. Dr. Gohar Petrossian's Graduate Crime Mapping Course, John Jay College, Virtual.
2. **Spencer, M. D.** (2020). Descriptive spatial statistics. Dr. Cory Schnell's Graduate Crime and Place Course, University of South Carolina, Columbia, SC.
3. **Spencer, M. D.** (2019–2021). Routine activities approach. Dr. Ashley Mancik's Communities and Crime Course, University of South Carolina, Columbia, SC.
4. **Spencer, M. D.** (2019–2021). Crime prevention through environmental design. Dr. Ashley Mancik's Communities and Crime Course, University of South Carolina, Columbia, SC.

TEACHING EXPERIENCE

*(*Denotes online or hybrid course)*

Graduate Level

Georgia Southern University

Crime Mapping (SP 2026*)
Seminar in Law Enforcement (SU 2026*)
Criminology Seminar – Crime Prevention (SU 2025*, F 2026)
Criminological Theory (F 2025)
Environmental Crime & Justice (SU 2024*, SP 2025)
Statistics for Social Science (F 2024)
Quantitative Research Design (F 2024*)

Undergraduate Level

Georgia Southern University

Introduction to Policing (SU 2026*)
Applied Statistics in CJ & Criminology Research (SP 2025*, F 2025*, SP 2026)

Criminal Investigations (SU 2025*)
Research Methods (F 2026*)

South Dakota State University
Advanced Criminology – Capstone (SP 2023*, SP 2024)
Criminal Investigations (F 2022*, SP 2023, F 2023*, SP 2024)
Introduction to Criminal Justice (SP 2023*, SU 2023*, F 2023, SP 2024, SU 2024*)
Policing in a Free Society (F 2022, F 2023*)

Radford University
Research Methods (SP 2022*)

University of South Carolina
Policing (F 2020*, SP 2021*)
Sociology of Crime (F 2019, SP 2020, F 2021, SP 2022*)

SERVICE

Journal Reviewer

American Journal of Preventive Medicine, Applied Geography, Applied Spatial Analysis and Policy, Cities, Computational Urban Science, Crime Prevention and Community Safety, Crime Science, Criminology & Public Policy, Frontiers in Marine Science, GeoJournal, Humanities and Social Sciences Communications, Injury Prevention, International Journal of Digital Earth, International Journal of Drug Policy, Journal of Criminal Justice, Journal of Drug Issues, Journal of Geovisualization and Spatial Analysis, Journal of Outdoor Recreation and Tourism, Journal of Quantitative Criminology, Journal of Research in Crime and Delinquency, Police Quarterly, Population Research and Policy Review, Research in Transportation Business & Management, Security Journal, Social Science Research, Urban Forestry & Urban Greening, Victims & Offenders

Departmental Service

Georgia Southern University

Graduate Committee Member	2024 – Present
Culture Committee Member	2026 – Present
Chair, Faculty Search Committee	2025 – 2026
Undergraduate Committee Member	2024 – 2025

South Dakota State University

Criminology Club Faculty Advisor	2023 – 2024

Student Mentorship

Georgia Southern University
Graduate: Abisoye Adeniyi, Cheyenne Harvey, Joshua Robinson
Undergraduate: Jeremiah Davallou

South Dakota State University
Ph.D. Committee, Sociology (Defended 2024): Damilola Adereti
Ph.D. Exam Committee, Computational Science & Statistics (Defended 2024): Dylan Borchert
Karen McComish Fellowship Mentor: Margaret Schliepsiek
Undergraduate Research: Chloe Beavers, Chloe Bender, Morgan Hunt

TRAINING, CERTIFICATIONS, & AWARDS

Certifications & Professional Training

Graduate Certificate in Crime Analysis, Radford University
Preparing Future Faculty, University of South Carolina
Teaching Toward Inclusive Excellence, University of South Carolina
Fostering Proactive Learning Environments, University of South Carolina

Awards & Honors

Competitive Travel Supplement, Georgia Southern University	2025
Discover USC Graduate Student Presenter Award, University of South Carolina	2021

PROFESSIONAL MEMBERSHIPS

Academy of Criminal Justice Sciences (ACJS)	2019 – Present
American Society of Criminology (ASC)	2019 – Present
Environmental Criminology and Crime Analysis (ECCA)	2023 – Present
European Society of Criminology (ESC)	2025 – Present
Southern Criminal Justice Association (SCJA)	2020 – Present

TECHNICAL SKILLS

GIS (ArcGIS, QGIS) | LaTeX | R | Stata

PROFESSIONAL EXPERIENCE

Forestry and GIS Technician, Eastern Forest Consultants	2015 – 2016
GIS Research Field Assistant, Virginia Tech	2015 – 2016
Conservation Land Monitor, Virginia Outdoors Foundation	2014 – 2015
